

## **Newsletter Summer Issue 1 EXTRA**

11 August 2008

Hi all Visitors, Relatives and Staff.

I would like to take this opportunity to thank everyone who made the Summer Fair a success, to all the volunteers who worked on the day, the Kitchen Staff for all the refreshments they served up, all the Care Staff for keeping the Home running smoothly amongst all the disruption and finally the Clougher Bluffers for their performance. The feedback on the day has been very positive and a great big thank you to everyone who came along despite the wet weather. Without your support, the Fair would not have been a success. Please have a look at the photographs taken on the day below.

Now on a sadder note, Diane Watt, the Home's Administrative Manager for the last 22 years, is leaving us at the end of August for new employment. She will be sadly missed by all. We wish you the best in your new venture.

We warmly welcome Shaun McMahon who is our new Volunteer and will be assisting Staff in the Supervised Lounge area.

Another change taking place is Sister Janet Dawson (RGN) being who is promoted to Deputy Home Manager. Good luck in your new post.

Once again thanks for your continued support.
